Procedures to be adopted for Judging of Different Classes

Judging of Showing Classes

1. All showing classes will be run under SASA Showing Rules Edition 21 Revised 3 February 2020. (Note that due to certain Covid-19 related restrictions, the points listed below, will take preference over the existing Rules.)
2. In all Showing classes, In Hand classes, SASA Riding Horse Classes, there shall be no more than 10 Competitors in the arena at any given stage.
3. This applies to the designated warm up arena as well.
4. Riders must not congregate at the entrance to the arena and must maintain the required 3.5m distance. During the Go around, riders must maintain the minimum of 3.5m distance from the horse in front of them at all times.
5. Competitors must be lined up with a minimum of 3.5m distance between them.
6. There will be no ride by the Judge in any of the Classes.
7. At HoY 2021, the conformation phase will be done stripped. One groom will be allowed into the arena to assist with the unsaddling and re saddling of the horse/pony.
8. There are no restrictions on the number of pools in a showing class, provided that it fits in with the maximum number allowed at the specific venue, which is determined by SAEF for that particular venue.
9. The pools will still be run as a normal class, with the exception of no Ride by the judge and exhibits will not be stripped for the conformation phase. (Unless it is an In Hand Class or as per rule 7 above)
10. The same judge must judge all pools within a particular class.
11. Each pool of a class is judged, and competitors are pulled into line, lining them up in an order of 1 to 10 or part thereof. No Prizes /Rosettes are awarded.
12. In the event that there are two or more pools in a class, then there needs to be a deciding class run, in order to determine the winners of that class. Where there are 8 or less in a pool, then the top 2 will go forward to the deciding class. Where there are 9 or 10 in a pool, then the top 3 will go forward to the deciding class. This class must take place straight after the qualifying pools. (It is unlikely that there would be more than 3 pools of horses/ponies, so this would still not exceed the maximum number of 10 allowed in the ring at once.)
13. In the decider class, horses/ponies will only do the go around phase in this class. (No Test or conformation) . The judge will then call them in order of preference, placing from 1st to 2nd etc. and this will be the final result of the class.
14. Where there are 8 or less in each pool, 4 places will be given in the deciding class. Where there are 9 or 10 in each pool, 6 places will be awarded in the deciding class.
15. These prize winners will receive rosettes and points as per SASA rule 50.9.2 (No rosettes /prize money may be handed out to competitors and judges must still maintain distance when congratulating riders.)
16. Where there is only one pool of horses/ponies, then places will be awarded as per Rule 50.9.2

Judging of Working Hunter Classes

1. Competitors may walk the course. Pony riders and Juniors may be Accompanied by one person. Masks must be worn whilst walking and social distancing must be adhered to.
2. After each class, the jumps /uprights that have been handled to adjust heights for the different classes will need to be sanitized prior to the commencement of the following class.
3. Competitors will enter the arena one at a time, to jump their round. They will then leave the arena to remove the horses boots and immediately return mounted to complete their Conformation Phase.
4. There will be no ride by the judge.
5. There will be no pools in this class.

Judging of Working Riding Classes.

1. Competitors working Riding Tests will be placed on a suitable Notice board at the show arena prior to the start of the class.
2. Competitors will enter the arena one at a time to do their test. On completion of their test, they will remain in the arena to do their conformation phase, mounted. There will be no ride by the judge.
3. Where possible, there should preferably not be any objects that need to be picked up /handled by the competitor during the test. If, however, this is incorporated, the item must be sanitized after each competitor has completed that movement.
4. There will be no pools in this class.

No prize-giving will be held after any of the classes held on the day at the show.

Any prize money will be paid electronically. A record of prize winners will be kept. Results will be posted online or provided by e mail.

Competitors are asked to be respectful of all involved, as well as respecting the serious implications of not adhering to Government Covid-19 Interventions and Regulations.
